The birds no more sing in the wood
The vales deserted lie,
So falls upon my saddened life
‖ The last ray in the sky. ‖
Yet, if o'er all my dreams of joy
Oblivion sweep, oblivion dark should sweep,
‖: The tear is ever with me still,
Which thou for me didst weep. :‖

Der Vogel Sang verstummt im Hain
Und öd'ist Berg und Thal,
So fällt nun auf mein trübes Sein
Der letzte Sonnenstrahl
Doch ist vom Glück, was ich geträumt
Auch jede Spur, auch jede Spur verweht
‖: Die Thräne bleibt mir immer noch,
Die Du um mich geweint. :‖
